- 2021 Parker, Susan T. "Measuring Gun Violence Using Police Data." in Roman, John K and Philip J. Cook, eds. *Improving Data Infrastructure to Reduce Firearms Violence*. Chicago, IL: NORC at the University of Chicago, 2021.

Working Papers

Parker, Susan T. "The Association Between Concealed Handgun License Laws and Concealed Handgun License Adoption, 2002-2019." *Under Review*.

Gangaram, Anjelica., Parker, Susan T., "The Effects of School Shootings on Firearm Behaviors."

Parker, Susan T. "The Effects of Permitless Carry Laws on Gun Violence and Victimization."

Parker, Susan T., Schechter, Lauren. "Family Violence Effects of Social Safety Net Incentives for Child Support Cooperation."

AWARDS AND FELLOWSHIPS

- 2022 Rackham Graduate Student Conference Travel Grant (\$900)
- 2022 Martha and Ernest Hammel Graduate Student Research Award - joint with Anjelica Gangaram (\$3,100)
- 2021 Microsoft Computational Justice Award (\$20,000 computing credit)
- 2020 Walter J. McNerney Award - COVID-19 Rapid Small Grant Award (\$10,000)
- 2019 Rackham Pre-Doctoral Research Award (\$1,500)
- 2019 Firearm Safety Among Children and Teens (FACTS) Student Poster Award
- 2015 Capstone thesis award, University of Chicago Analytics Program
- 2009 Phi Beta Kappa
- 2005-09 Skandalaris Family Foundation Scholarship

SPONSORED RESEARCH

PRESENTATIONS

2023 'The Effects of Permitless Carry Policy on Crime and Victimization.' Association for Public Policy and Management. November.

'Firearm Data Infrastructure: Updates and Challenges for Police Data Sources.' National Research Conference for the Prevention of Firearm-Related Harms. November.

'The Effects of Permitless Carry Policy on Gun Violence.' National Research Conference for the Prevention of Firearm-Related Harms. November.

'The Effects of Permitless Carry Policy on Violent Crime and Victimization.' American Society of Health Economists (ASHEcon). June.

'The Effects of Permitless Carry Policy on Violent Crime and Victimization.' University of Massachusetts Boston Department of Urban Public Health. February.

'The Effects of Permitless Carry Policy on Violent Crime and Victimization.' University of Iowa School of Public Health (Online). February.

'The Effects of Permitless Carry Policy on Violent Crime and Victimization.' Georgia Tech School of Public Policy. January.

2022 'The Effects of Permitless Carry Policy on Violent Crime and Victimization.' State University of New York (SUNY)-Albany School of Criminal Justice. December.

'The Effects of Permitless Carry Policy on Violent Crime and Victimization.' Firearm Injury Conference. November.

'The Effects of Permitless Carry Policy on Violent Crime and Victimization.' Rutgers-Camden Department of Health Sciences (Online). November.

2022 'The Effects of Permitless Carry Policy on Violent Crime and Victimization.' American Public Health Association (APHA) Conference. November.

2021 'The Effect of Lockdown Orders on Domestic Violence.' FACTS Symposium (Online). October.

2021 'Measuring Gun Violence Using Police Data.' FACTS Symposium (Online). October.

- 2021 'Improving Data Infrastructure to Reduce Firearms Violence.' Webinar hosted by: NORC at the University of Chicago, the Data Foundation, Arnold Ventures and the National Prevention Science Coalition (NPSC). October.
- 2021 'The Effect of Lockdown Orders on Domestic Violence.' Law Enforcement and Public Health Conference (Online). March.
- 2020 'The Effect of Concealed Carry Weapons Laws on Stolen Guns.' American Society of Criminology Conference. *Canceled due to COVID-19*.
- 2020 'Estimating Non-fatal Shootings Using Hospital Data. FACTS Annual Symposium. September.
- 2019 'Estimating Shooting Locations Using Natural Language Processing.' FACTS Annual Symposium. Ann Arbor. September.
- 2016 'Predicting Demand in the Chicago Housing Market.' University of Chicago Convening on Urban Data Science. April.
- 2016 'How Hot is the Chicago Housing Market? Demand Prediction from Home Showings Microevents.' Chicago Association of Chicago Chapter of the American Statistical Association (CCASA) Student Showcase Presentation. March.
- 2015 'Police Strategies for Reducing Gun Violence.' American Society of Criminology Conference. November.
- 2015 'Police Enforcement Against Gun Violence.' International Association of Chiefs of Police Conference. October.
- 2015 "Predicting Housing Demand in the Chicago Real Estate Market.' University of Chicago Research Computing Center Poster Presentation. October.
- 2015 'Sources of Crime Guns to Dangerous Individuals: Chicago Jail Survey.' Law and Society Association Conference. May.
- 2015 'What We Don't Know Can Kill Us: Gun Violence Research Methods.' American Public Health Association Conference. November.

TEACHING

Working Professional 1-2-Day Courses

Instructor - Introduction to SQL, Advanced SQL, Introduction to Python, Introduction to Machine Learning, 2016-2018

Graduate Student Courses

Graduate Teaching Assistant - Health Economics II, Fall 2019

Graduate Teaching Assistant - Health Economics I, Winter 2020

Graduate Teaching Assistant - Data Driven Methods for Public Health, Winter 2021

Graduate Teaching Assistant - Quantitative Methods for Social Science, Spring 2021

SERVICE

Journal reviewer: American Journal of Epidemiology, American Journal of Preventive Medicine, The Lancet - Child and Adolescent Health, JAMA Network-Open, Journal of Medical Informatics Research, Preventive Medicine

Committee Member: University of Michigan Health Services Organization and Policy (HSOP) Admissions and Doctoral Committee (2022)

Member: Firearm Data Infrastructure Working Group

SKILLS

AWS, R, Python, SQL (PostgreSQL, PostGIS, Snowflake, Trino), STATA, Unix
